## START - UP CELL

### Introduction:

The Start-up Cell of Noamundi College, Noamundi has been established with the vision of fostering innovation, creativity and entrepreneurial skills among students. It serves as a platform to encourage young minds to transform their innovative ideas into viable business ventures. The Cell provides guidance, mentorship and resources to students who aspire to become entrepreneurs and contribute to the start-up ecosystem of the nation.

### Objectives:

1. To promote innovation and entrepreneurial culture among students and faculty.
2. To provide support and guidance in converting innovative ideas into successful start-ups.
3. To develop problem – solving, leadership and managerial skills in budding entrepreneurs.
4. To create industry – academia linkages for entrepreneurial development.
5. To organize workshops, seminars and training programs on entrepreneurship and start-up ecosystem.
6. To encourage students to participate in incubation and innovation activities at regional, state and national levels.

### Responsibilities:

1. Identify students with innovative and entrepreneurial potential.
2. Provide mentorship, training and resources for developing start-up projects.
3. Coordinate with incubation centers, industry experts and investors for student start-ups.
4. Organize entrepreneurship development programs, hackathons and competitions.
5. Monitor the progress of student start-ups and support them in scaling their ventures.
6. Ensure alignment of start-up activities with government policies such as Start-up India and Atmanirbhar Bharat Abhiyan.
7. Maintain records of activities, achievements and start-up initiatives of the college.
